At the outset, the Dean Academic Affairs welcomed all the members and special invitees. The Chair highlighted the strategic importance of aligning the University's academic structure with the latest UGC Regulations, National Education Policy (NEP) 2020, and the National Credit Framework (NCrF) to ensure academic mobility, interdisciplinary learning, employability enhancement, and seamless progression pathways for students.

The agenda items were thereafter discussed in detail, and the following recommendations were unanimously resolved:

Item No. (i): Implementation of UGC (Minimum Standards of Instructions for the Grant of Undergraduate and Postgraduate Degrees) Regulations, 2025

The Committee carefully examined the UGC Notification dated 26 March 2025 and deliberated upon the provisions concerning admissions, multidisciplinary education, and academic flexibility.

After detailed discussion, the Committee recommended the adoption and implementation of the following provisions for programmes being offered through the Centre for Distance and Online Education (CDOE) of the University:

1. Undergraduate Admissions

In accordance with Clause 5.0(2) of the UGC Regulations, 2025, it was resolved that:

Irrespective of the disciplines taken by a student in level 4/class 12 schooling, a student is eligible for admission in any discipline of UG programme if the student qualifies the National level or University level entrance examination in the discipline of UG programme. Where required, the university may provide the necessary bridge courses to the students to address the knowledge gaps which may arise when students from varied disciplines are admitted.

2. Postgraduate Admissions

In accordance with Clause 5.0(4) of the UGC Regulations, 2025, it was further resolved that:

Irrespective of the major or minor disciplines taken by a student in a UG programme, a student is eligible for admission in any discipline of PG programmes if the student qualifies for the National level or University level entrance examination in the discipline of PG programme.

Item No. (ii): Guidelines Regarding Equivalence of Credits under the National Credit Framework (NCrF) and Curriculum & Credit Framework for Undergraduate and Postgraduate Programmes

The Committee deliberated upon the recommendations made by the Committee constituted by the Haryana State Higher Education Council (HSHEC) vide Letter No. 12/19-2024 Adv./HSHEC dated 30.06.2025 regarding equivalence of credits under the National Credit Framework.

Handwritten signatures of committee members, including names like R. P. Singh, M. Singh, and others, in blue ink.

After comprehensive deliberations, the Committee resolved that the guidelines and recommendations issued by HSHEC may be adopted in toto for implementation across all teaching departments and affiliated institutions of the University.

The Committee further resolved the following operational provisions for smooth academic mobility and credit equivalence:

A. Bridge Courses

In cases involving lateral entry, migration, or transfer of students from one Higher Education Institution (HEI) to another, if a student lacks prerequisite knowledge or competencies in any course required for progression in the programme:

The concerned Department may offer a "Bridge Course" to compensate for the academic deficiency. Bridge Courses shall ordinarily be non-credit courses. The mode, duration, and assessment methodology of bridge courses shall be determined by the concerned Department/Board of Studies.

B. Deficiency Courses

Where there exists a shortfall in the prescribed number of credits required under the programme structure:

The Chairperson/Director of the concerned Department may prescribe "Deficiency Courses" to address the credit deficit. Such courses shall be aligned with the programme learning outcomes and curriculum requirements. The completion of deficiency courses shall be mandatory for fulfilment of degree requirements wherever applicable.

C. Assignment of NCrF Levels

The Committee recommended that the NCrF levels for Undergraduate and Postgraduate Programmes be assigned in accordance with the competency-based progression framework prescribed under the National Credit Framework.

The following indicative structure was recommended for adoption:

NCrF Level	Programme / Qualification	Course Level Range
4.5	Undergraduate Certificate (after completion of 1 Year)	100-199
5.0	Undergraduate Diploma (after completion of 2 Years)	200-299
5.5	Bachelor's Degree (3-Year Programme)	300-399
6.0	Bachelor's Degree (Honours/Honours with Research - 4 Years)	400-499
6.0	Post Graduate Diploma after 3-year bachelor degree/ 2 semesters of the 2-year master's degree programme.	400-499
6.5	Master's Degree of One year (two semesters) after obtaining a	500-599

Handwritten signatures and notes at the bottom of the page, including "Dated by", "Signature", and "Date".

	Bachelor's degree (Honours/Research). Master's Degree. Programme of two years (four semesters) after obtaining a 3 yr Bachelor's degree.	
7.0	Master's degree of two years (four semesters) after obtaining a 4 years Bachelor's degree	600-699
8.0	Doctoral degree	700 - 799 and above

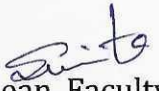

The Committee further observed that:

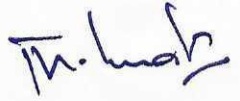

- The allocation of NCrf levels must reflect increasing complexity, autonomy, critical thinking, research orientation, and professional competency.
- The progression from one level to the next shall be based on attainment of defined learning outcomes and credits.
- Departments shall ensure vertical and horizontal mobility of learners in accordance with NCrf norms.

D. Skill Enhancement Courses (SEC) and Vocational Courses (VOC)

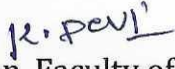

The Committee recommended that the Undergraduate Board of Studies (UGBOS) of the respective subjects shall assign appropriate NCrf levels to Skill Enhancement Courses (SEC) and Vocational Courses (VOC).
